# THIS IS *the* M

For illustration purposes only

The M, your well-connected home in the city.  
A mixed-use development featuring 522 residences across three  
20-storey towers and a 6-storey tower, with retail stores and  
F&B selections at ground-level for your needs.

Featuring Studio and 1- to 3-bedroom units, experience  
first-of-its-kind home innovations at The M, with special  
provisions that allow you to work from home intelligently.

The M, Club M  
Artist's Impression

# WELCOME TO THE **CLUB.**

Club M features five configurable function rooms, with The Boardroom to host work meetings and discussions, or have a quiet environment for work and lounging. Residents can also whip up cookies in Bakerzone, stay active at Fitness X, or enjoy a game of Golf Snooker at the clubhouse.

Take a dip in the 50m Starlight Pool or find time for yourself to relax at The Pendulum. Enjoy a variety of facilities that's tailored for the way you live, such as The Verandah where you can soak up the bustle of the city. This is where you dictate the pace of life, and set yourself apart from the rest of the city.

Take it up a notch at the Sky Terrace. Enjoy a relaxing dip at the Jacuzzi Pool, a barbeque with friends at The Grill, or simply lay back and admire the night sky on the Star Deck.

# WHERE PRODUCTIVITY GETS **PERSONAL.**

A new concept by Wing Tai Asia, **HOME/WORK®** creates a conducive environment and a new standard for you to realise your career ambitions right from home.

Experience flexible, adaptable Studios and 1-bedroom residences that transform seamlessly from living areas to productive workspaces easily. Studios enjoy innovative features that maximise space such as a dual-use kitchen counter-top, sliding wardrobes and well thought out ceiling storage spaces. 1-bedroom residences feature a multi-functional integrated kitchen table for a configurable space that takes you from breakfast to business in minutes.

**Dual-use** kitchen counter-top to maximise kitchen space

**Multi-functional** kitchen table for dining and entertaining guests

Sliding wardrobe for customisation of your **personal** space

Ceiling storage that's the **perfect** fit for your storage needs

Configurable **work station** and the freedom to create a setting for productive work and meetings

Integrated table for **flexibility** of creating more space for your working needs

Create a smart work storage system that gives **you** more room for business

A **conductive** work environment free from clutter and distractions

# A SMARTER, MORE PERSONAL HOME.

**TOUCHLESS WAVE SENSOR  
FOR SEAMLESS ACCESS  
INTO YOUR LIFT LOBBY**

supported  
by

**INTERCOM VCP WITH A FACE  
RECOGNITION FEATURE  
FOR FUSS-FREE ACCESS**

For illustration purposes only

Be the first to experience an even smarter lifestyle with pioneering technology. With innovations such as a touchless wave scanner to access your lift lobby – enjoy seamless integration and connectivity from the moment you come home.

**HEAT RECOVERY SOLUTION**

Enjoy an energy-efficient home. Smart technology utilises waste energy produced by your air-conditioners to heat up water for your shower, saving up to 25% on energy consumption.

## SMART HOME FEATURES

**SMART HUB**

A powerful and versatile hub that integrates a wide range of smart devices that enables you to control your entire smart home system from a single platform.

**SMART LOCK**

Enjoy keyless entry with the ability to unlock your door remotely.

**SMOKE DETECTOR**

Alerts you on your smartphone when smoke is detected so that you can inform guards or neighbours to investigate if no one is at home.

**SMART AIR-CONDITIONING SYSTEM**

Control and adjust the settings of your home air-conditioning system through your smartphone.

**WATER HEATER CONTROL**

Enjoy hot water any time you need. Automatic schedules turn your water heaters on and off to suit your lifestyle needs and save electricity.

## SMART COMMUNITY FEATURES

**QR READER FOR VISITOR  
MANAGEMENT SYSTEM**

Provide your visitors access by creating QR codes which they can use to scan their way in.

**SMART PARCEL**

Never miss a delivery, even when no one is at home to receive it. Get notified of your parcel and simply collect it at your convenience within the premises.

**SMART COMMUNITY APP**

- Book facilities
- Control lights and air-conditioners
- Apply for payments and permits online
- Receive notifications from the Management

**SMART LETTER BOX**

Go keyless and unlock your letter box with a personalised password, and never worry about fumbling with your key again.

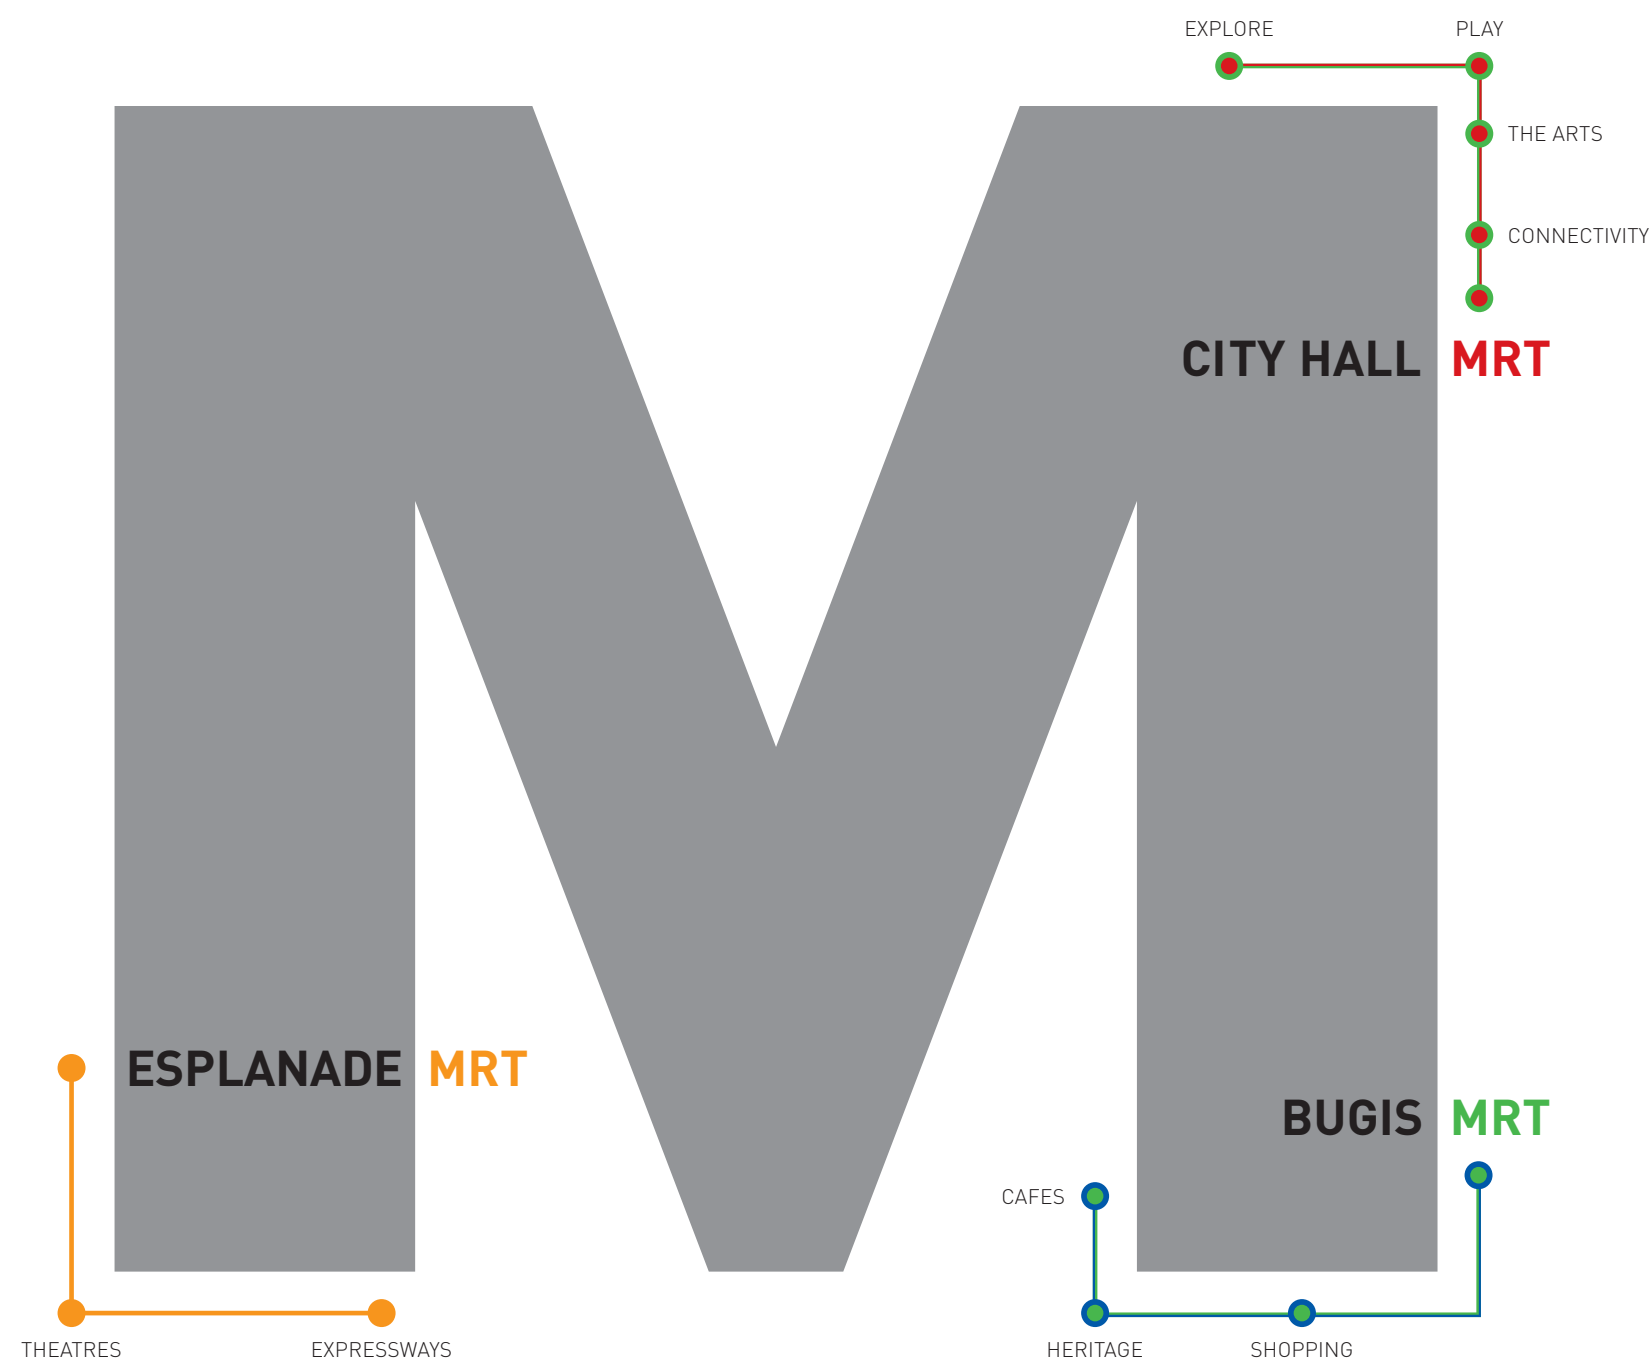

**VIDEO SURVEILLANCE SYSTEM**

Have peace of mind with a comprehensive surveillance system, which continuously monitors potential vulnerable points such as main gates, designated points and lobby areas.

# LIFE REVOLVES AROUND **THE M.**

A fast-paced life requires a home that connects you to where you need to be within minutes. In a district with a vision of going car-lite with seamless connectivity throughout the city and beyond, you can be connected easily to the city – with a myriad of options at your doorstep.

Within 4 to 8 min walking distance to 3 MRT Stations (Bugis, City Hall and Esplanade) and served by 4 lines (North South, East West, Downtown and Circle lines)

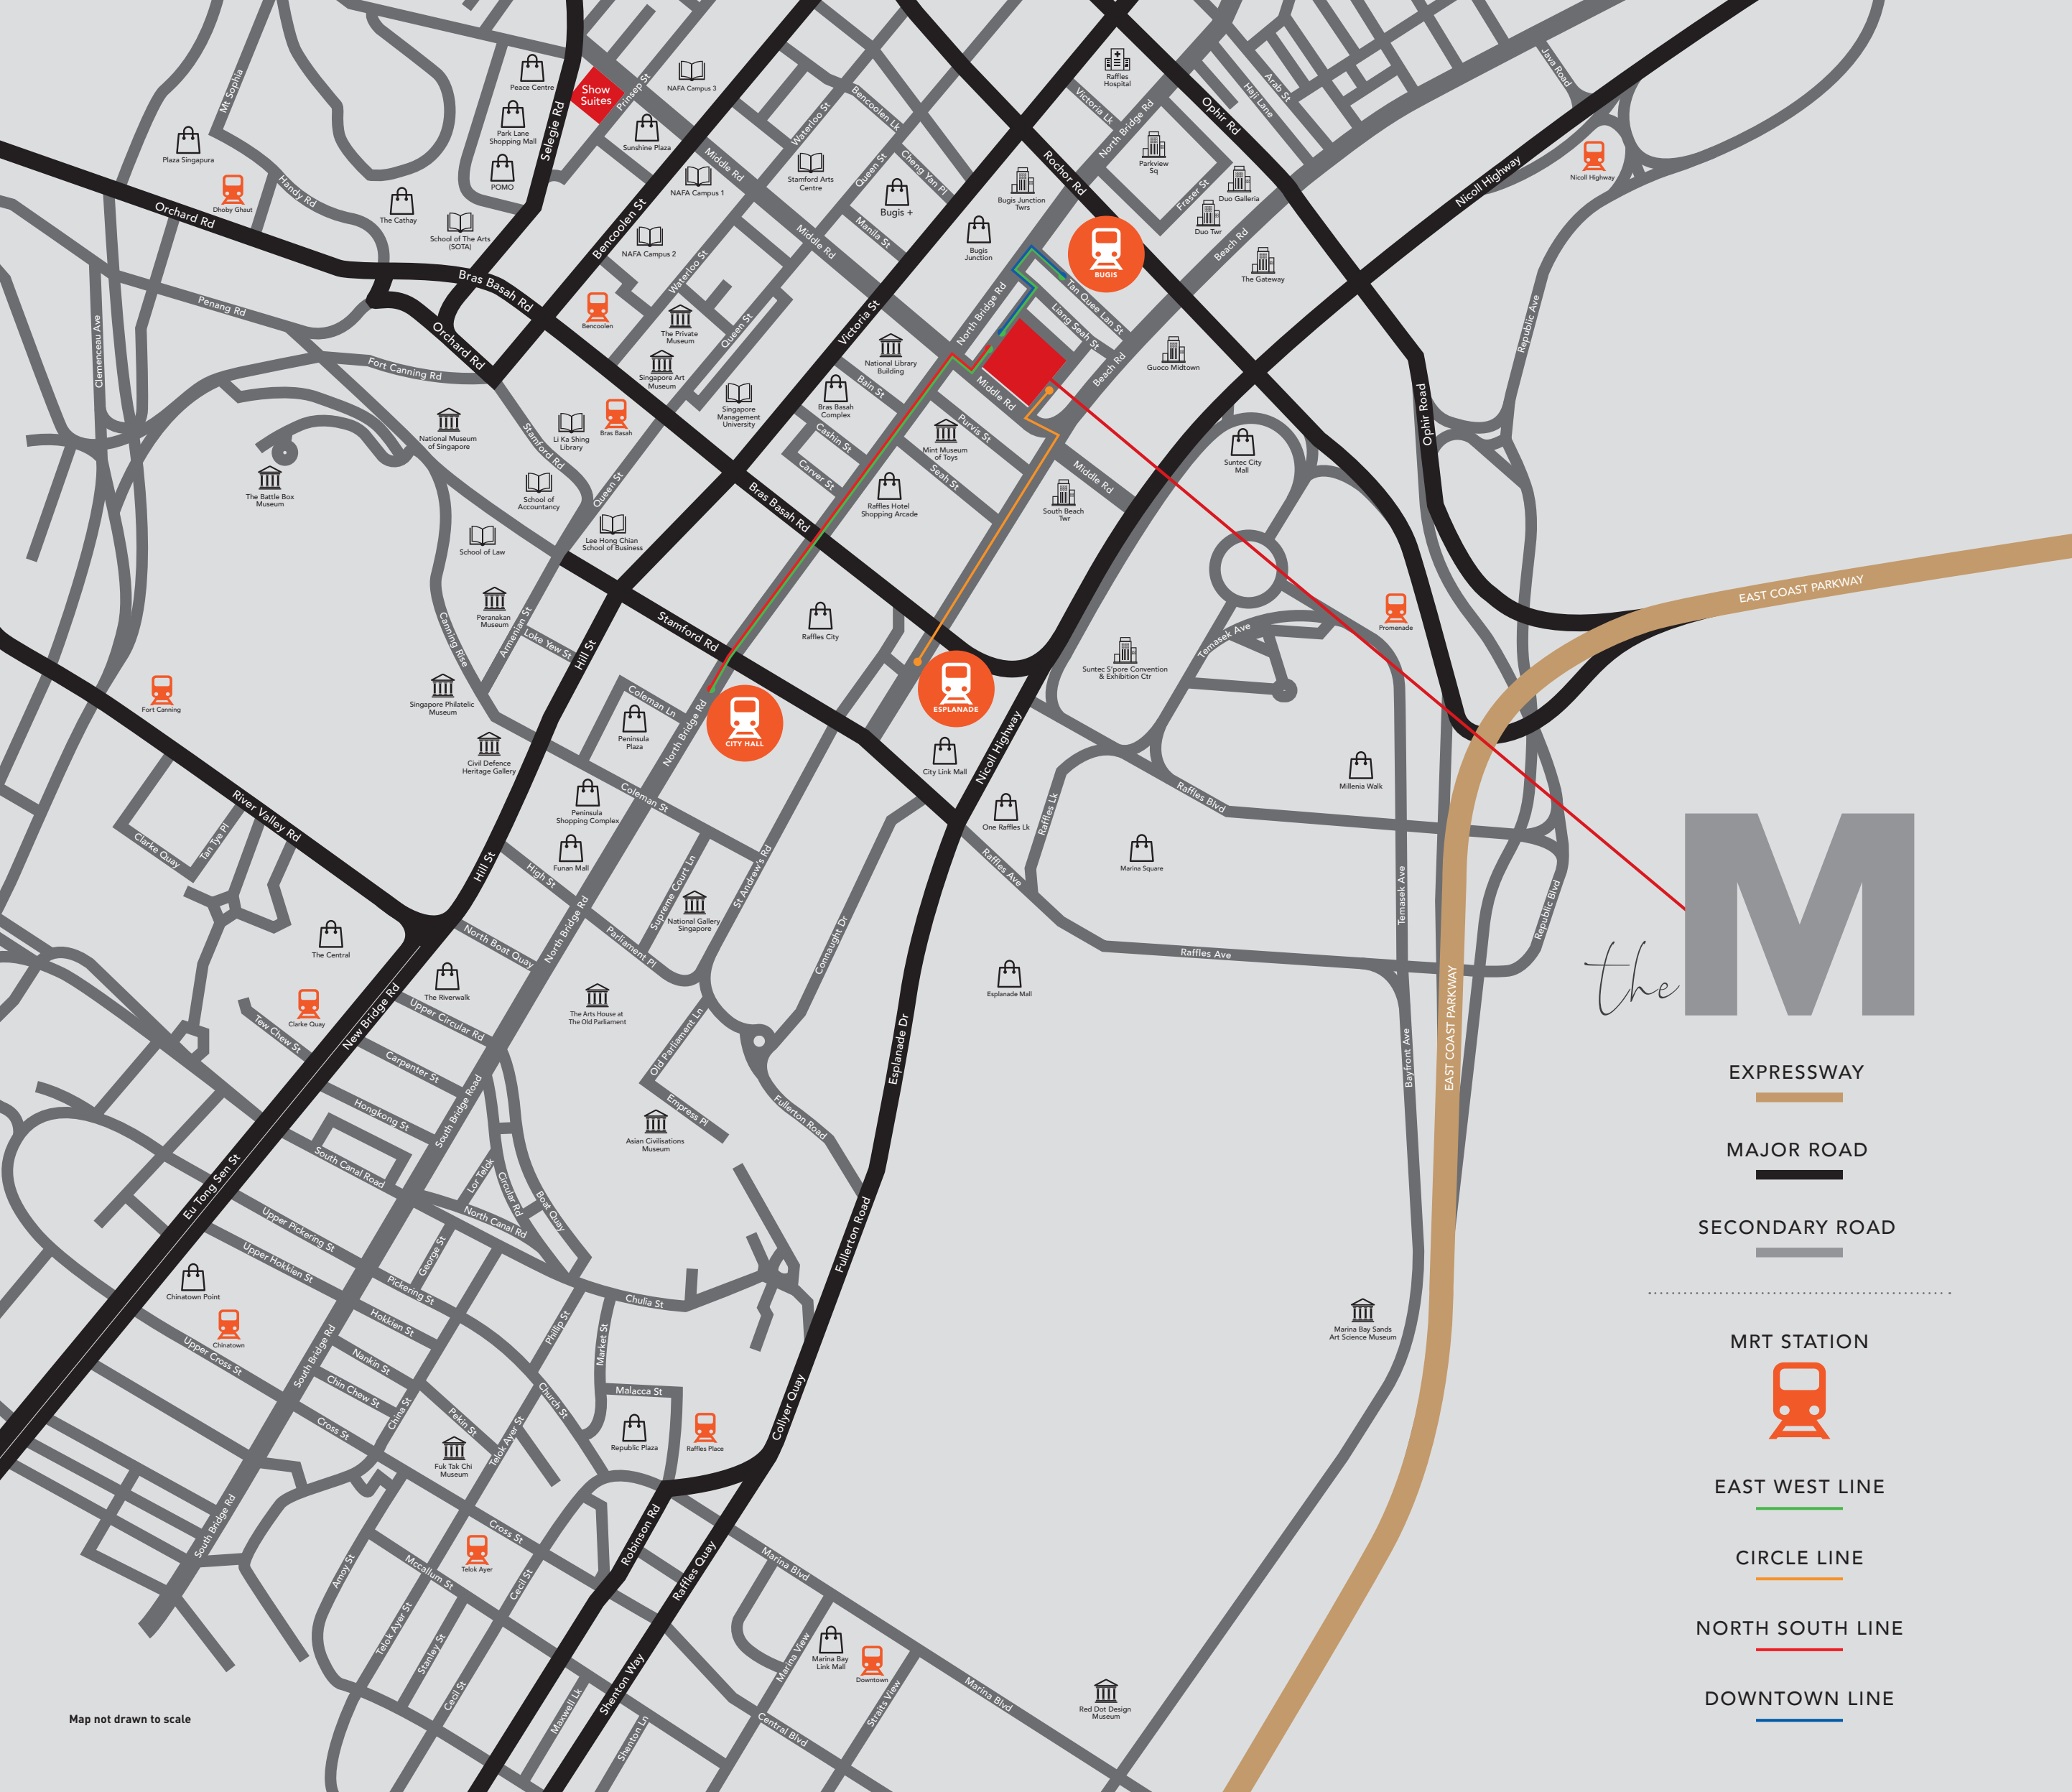

Minutes' drive to the ECP, KPE, PIE and MCE

District to be interconnected with upcoming underground walkways and pathways for ultra-connectivity that links you to the best of the city

# LIVING ART. LIVING HERITAGE.

The development objectives of Wing Tai Asia are directed by quality and progressive design, with a consciousness for the environment. Principles of sustainability are articulated in our design and development approaches for enrichment of living environments, integrating developments into surrounding greenery and locale, transforming living spaces into cherished homes.

Challenging convention while embracing heritage and tradition, exciting yet functional, our projects invite people to appreciate the beauty of timeless design. We have a steadfast commitment to quality in every aspect of our developments, from immaculate craftsmanship to impeccable service. This finesse is manifested in our pairing of world-renowned architects and designers for collaborations, bringing together contrasting approaches and cultures to create projects that break new ground.

With an attractive portfolio of residential properties that are globally sought after by a discerning clientele, like Le Nouvel Ardmore, The Crest, The Tembusu, The Garden Residences, Belle Vue Residences and Draycott Eight, we constantly seek to create lasting value for our customers.
